Dear Parent(s),

7/19/2011

We hope you and your student(s) have had a relaxing and enjoyable summer. The 2011-12 school year is approaching very quickly and we wanted to get some important information and dates to you for pre-planning purposes.

Please mark the following dates on your calendar:

1. K-12 Student Registration – August 4th from 10:00am – 6:00pm and 5th from 8:00am – 4:00pm, 2011
All registrations will take place in the Elementary Gymnasium.
2. 7th Grade Orientation - August 11th at 6:00 pm in the Safford Auditorium
3. 9th Grade Orientation – August 11th at 6:00
4. Student Vaccination Requirements :

PHYSICAL EXAMINATIONS & IMMUNIZATIONS

In compliance with the School Code of Illinois, a medical examination signed by a physician shall be required of each student before initial entrance into pre-school, kindergarten, sixth grade, and ninth grade, as well as for any new students that transfer to an Illinois school from out of state. A sports physical is not acceptable for ninth grade students. A “Child Health Examination” form must also be filled out by the physician. A record of such examination from another school system will be accepted, unless the student is transferring from out of state, in which case a new physical will be necessary. The Health History section must be completed and signed by the parent(s)/guardian(s). The examination shall verify that the child has been immunized against the diseases required by law before entrance into school.

Please make doctor appointments early so that forms are completed before or at school registration in August. After **October 15** of the current school year, students will be excluded from school if a report of the physical exam is has not been presented. If a medical reason prevents a student from receiving a required immunization **by October 15**, the student must present, **by October 15**, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and the statement of medical reasons must be signed by the physician, registered nurse, or local health department responsible for administering the immunizations.
