

HAMILTON ELEMENTARY
**2017 End of the Year
NEWSLETTER**
Mr. Bryan, Principal

Another great year at Hamilton Elementary! Time really flew by with everything running very smoothly. This is a testament to our staff, students, and parents working extremely well together. I want to thank all of our parents who made sure our students were on top of their school work, supported our teachers, volunteered with PTO activities, and were present at all the various school functions. I want to also thank our students for doing a great job of being responsible, respectful, and safe. And last but not least, thank you to our staff for all the time and effort you put into making our school the best place to learn.

I have one challenge to all of our parents. Please help us to ensure our students do not regress over the summer. We (students, teachers, and parents) have all put in so much work to improve our students' reading fluency and comprehension. We cannot afford to have our students go three months without reading a book.

- Encourage your children to read a certain amount of minutes or days each week so that they maintain their reading levels throughout the summer.
- Take advantage of our public library, giving our students the ability to pick out books that they will enjoy.
- We will also have our summer reading logs going home with all our K-5 students. All students meeting the requirements will be treated to a cookout and prizes next fall. We average around 80 students who complete these logs. I want to double that number to 160 for the upcoming school year!

IMPORTANT DATES:

Thursday, Aug. 3rd
School Registration &
Pre-K Screening at the
Elementary School
10:00-6:00

Friday, Aug. 4th
School Registration at
the Elementary School
8:00-4:00

Monday, Aug. 21st
First day of student
attendance for 2017-
2018 school year

**Hamilton Public
Library**

The Hamilton Public Library will be open all summer providing opportunities for our students to check out books, attend programs, and win prizes!

Physicals

All students entering Kindergarten and 6th grade will need a school physical for the 2017-2018 school year. Students entering 5th grade wanting to play sports will need a sports physical. (The 6th grade school physical works as a sports physical too)
